TOWN OF SANDWICH

SUPERINTENDENT'S REPORT

To the Citizens of Sandwich:

The report last year called particular attention to the matter of attendance. This year we are printing the record of each school and pupil in the district.

There are, of course, cases when absence is unavoidable and it should not be forgotten that health is more important than school attendance.

Parents, where children have fine attendance records, may well take pride in the fact. When the records are poor it would be well to check up the matter and see if all of the absence was necessary. The percentage of attendance for the whole year was 93.86.

Total registration for 1928-1929 was 87. There were 43 pupils with 4 teachers in the one room schools and 44 pupils with 2 teachers at the Center.

With twice as many pupils we would have had better results. With no opportunities to co-operate with, or measure accomplishments with his equals, a pupil misses a very important part of his education.

With the highways of the town so vastly improved and so well broken in winter, the comfortable and safe transportation of pupils to larger schools is a comparatively easy matter.

The Center School can accommodate more children, but is not now in a suitable condition. The toilets are very poor. It seems possible to remodel the school and equip it with modern conveniences so that the children might have the comfort and pleasure and education of living in pleasant and sanitary surroundings.

There are 244 school districts in New Hampshire. For the year 1928-1929 the range in cost per \$1000.00 of equalized valuation was from No. 1 at \$3.51 to No. 244 at \$20.94.

Sandwich is No. 28. It was No. 32 in 1927-1928.

The costs per pupil in the elementary schools of the State vary widely. They are low where it is possible to have the schools filled to capacity, with no transportation charges. They are high where schools are small and transportation expensive.

The median cost per pupil in 1928-1929 was \$83.35. The Sandwich cost was \$122.02. Moultonboro \$87.55. Center Harbor \$84.50. Meredith \$67.30.
